I hope you enjoy reading my latest catalogue and find items of interest for your collection. This time I have listed quite a number of recently published books and, with stretched budgets in mind, a fair number of more modestly priced books. If the book you are looking for is not in this catalogue, then please email or ring as I do not list here all the books I have in stock. Please let me know if you would like more details about the contents or condition of any of the books. I can email images if needed. Also, do take a look at my new website www.kingsbridgebooks.co.uk

* Many books sell very quickly therefore it is best to ring and reserve them first, so as not to be disappointed.

* Because of the costs involved, I regret that if you do not place an order after receiving three issues of my catalogue I will no longer be able to send it to you.
